

SUPPORT THE GOALS AND DREAMS OF LOCAL ATHLETES!

BE A SPONSOR for the 8th Annual Texas Tough Gymnastics Invitational!

WE ARE EXCITED TO BRING YOU SPONSORSHIP OPPORTUNITIES FOR YOUNG ATHLETES IN YOUR COMMUNITY.

You and/or your business can help support through the TRT Booster Club. The TRT Booster club is a non-profit 501(c)3 organization that exists solely to support and encourage all Rock Team Gymnastics members mentally, physically, emotionally, spiritually, and financially in their gymnastics endeavors. WE WOULD LIKE TO PARTNER WITH YOU and/or your business to provide funding support for all members of the club so these athletes have an opportunity to compete during the gymnastics and trampoline & tumbling season(s).

Studies show that sports and physical activity for young girls and boys can prevent chronic diseases such as obesity, heart disease, lower rates of substance abuse, and reduce risky behaviors. Furthermore, children will have better mental health, higher self-image and confidence levels, improved teamwork and communication skills, increased graduation rates, and leadership skills that can lead to achievement opportunities in school and at work.
